Announcing the 2022 Greenway Food Truck Program

The thirteenth season for our food vending program features new vendors and diverse cuisines on The Greenway in 2022!

March 21, 2022 – BOSTON, MA – The [Rose Kennedy Greenway Conservancy](#) today announced the 2022 Food Truck Program schedule and lineup on The Greenway with 25 food trucks, including 3 new vendors, beginning their 2022 season on **Friday, April 1**.

[Meet our 2022 Food Truck Partners](#)

The Conservancy is delighted to work with an incredible group of diverse business owners within our Food Truck Program. Of the 25 businesses, 64% identify as women, veteran, or minority owned and represent over 12 unique cuisines.

This year, the Conservancy is delighted to welcome three new trucks to our program - North American Catering Co., Revelry, and Sufra Mediterranean - in addition to a more robust schedule of returning food truck partners. This season we will also welcome back breakfast vendors back to the park at Dewey Square on The Greenway. Stop by North American Catering Co. Tuesday through Thursday mornings to try their famous breakfast burritos. Prefer something sweet? Try out the famous Liege waffles of the Burgundian every Friday!

You can learn more about our incoming food truck partners, their hours and location on The Greenway, and their catering and off-Greenway options in our [2022 Greenway Food Truck Guide!](#)

All of our Greenway small business partners felt the devastating impacts on COVID-19 on their businesses in some way. Many of our food truck partners shut down mobile operations entirely over the past two years to focus their efforts on keeping their restaurants open and staff employed. Our partners also gave back during the pandemic by working with local governments and community groups to provide meals to underprivileged communities and first responders. As these small businesses continue to recover, we encourage you to show your support by heading out into the park to enjoy lunch outdoors this season or consider catering for upcoming events.

Food trucks can be found throughout The Greenway, with weekday locations including:

- Dewey Square Park (beginning April 1)
- Rowes Wharf Plaza (beginning April 1)
- Trillium Garden on The Greenway @ High Street (beginning April 16)
- The Rings Fountain @ Milk Street (beginning May 1)
- The Greenway @ State Street (beginning May 1)
- The Greenway Carousel at The Tiffany & Co. Foundation Grove (beginning May 1)

On Saturdays starting in May and the 1st and 3rd Sundays in June through October, select vendors can be found at the [Greenway Artisan Market](#) throughout the Wharf District.

2022 Greenway Food Truck Festival

Come savor the flavors of The Greenway at the [2022 Greenway Food Truck Festival](#) on **Saturday, May 7th, from 11a to 3p!** With everything from dumplings to tacos to bubble tea, this will be an outdoor culinary experience you won't want to miss. The 2022 Greenway Food Truck Festival will coincide with the opening day of the Greenway Artisan Market, operated by Somerville Flea. Come down to Rowes Wharf Plaza for a day of shopping local at the Greenway Artisan Market, snacking local at our food trucks, sipping local at Trillium Beer Garden, and spinning on the Greenway Carousel!

Sustainable practices continue to be a priority for the Greenway Food Truck Program in 2022. As in years past, the Conservancy will work to minimize the program's impact on the environment by prohibiting plastic straws in addition to polystyrene packaging and single-use plastic bags.

About The Greenway and the Greenway Conservancy

The Greenway is the contemporary public park in the heart of Boston. The Greenway welcomes millions of visitors annually to gather, play, unwind, and explore. The Greenway Conservancy is the non-profit responsible for the management and care of The Greenway. The majority of the public park's annual budget is generously provided by private sources.
