

The Greenway Conservancy's Social Media Comment Policy

At the Greenway Conservancy, we believe in building a positive and welcoming community for all who visit and engage with us online. To ensure a respectful and productive space, we ask that all comments and interactions on our social media pages follow the guidelines below.

1. Be Kind and Respectful

We encourage open dialogue and diverse opinions but ask that all comments remain civil, respectful, and kind. Personal attacks, hate speech, or discriminatory language will not be tolerated.

2. Stay On-Topic

Please keep comments relevant to the content being shared. Whether it's about park events, programs, or nature, we appreciate contributions that enhance the conversation.

3. Encourage Constructive Dialogue

We value constructive feedback and thoughtful discussion. If you have suggestions, concerns, or critiques, please express them respectfully and in a way that promotes understanding.

4. No Spam or Self-Promotion

We want our social media pages to be a place for community engagement, not advertising. Please refrain from posting spam, unrelated promotional content, or any advertisements for services or products.

5. Protect Privacy

Please respect the privacy of others. Do not share personal information (yours or others') in comments, including phone numbers, email addresses, or private locations.

6. No Discrimination or Harassment

We are committed to creating an inclusive environment. Discrimination, hate speech, or harassment based on race, ethnicity, religion, gender, sexual orientation, disability, or any other protected category will result in immediate removal of the comment and may lead to a ban from our social media pages.

7. Be Mindful of Language

We welcome all voices, but we ask that you use language that is appropriate for all ages and audiences. Abusive, offensive, or vulgar language will not be tolerated.

8. Respect Park Rules and Nature

As a park and public space dedicated to the environment, we ask that all discussions promote respect for nature and The Greenway's rules. Please refrain from making suggestions or comments that encourage harm to wildlife, the environment, or the community.

9. Reporting Inappropriate Content

If you see something that doesn't adhere to this policy, please report it to us via direct message or by using the reporting feature on the platform. We will review and take appropriate action.

10. Moderation

We reserve the right to remove comments that do not comply with this policy. Repeated violations may result in a temporary or permanent ban from the social media channel.

By engaging with us on social media, you help contribute to creating a space that reflects the values of The Greenway: respect, kindness, and a shared love for nature. Thank you for being part of our online community!

Stay connected, stay kind, and enjoy your visit to The Greenway!
